3 VENDORS/PRODUCTS

These are companies or persons who exclusively sell used and NOS goods. This means that according to common legal opinion. Sellers who repeatedly offer equivalent or similar or identical equipment/goods and have a sales tax identification number are classified as commercial/industrial classified. Incidentally, this also applies to dealers/vendors who have previously purchased their goods for sale at the flea market itself. It is not allowed to sell new goods at the flea market. This is only allowed in the Zeppelin CAT Hall A1 (not in the flea market area). Violation of these conditions will result in immediate exclusion from the flea market without reimbursement. In addition, the exhibitor must in this case leave the premises. The fair reserves the right to carry out spot checks. Pre-registrations are required and may be considered as long as space is available, but no later than 05/31/2023. Admission to the Flea Market will be confirmed in writing.
